Dear Adlai:

I want to tell you how deeply and personally I appreciate the contribution you have made to the security of the United States and the peace of the world in the last week. Your vindication of American policy before the United Nations was superb; and I know that it accounts in great measure for the understanding and support that policy has received from our friends abroad.

We are not yet out of the woods; and I count on you in the days ahead.

Sincerely,

X  
The Honorable Adlai E. Stevenson  
United States Representative  
to the United Nations
